*Celebrating Your Memories
Since 2016*

Keepsake Jewellery

Keepsakes with Love Jewellery is a beautiful way of celebrating your memories, enabling you to hold the memories in your hands and close to your hearts, finding peace.

Designed and crafted in New Zealand, Keepsakes with Love has a range of sensitive memorabilia including pendants, rings, and charms. Our pieces can be filled with a small amount of ashes, a lock of hair, or other small keepsake. I will personally fill your keepsake making it water-tight, meaning you will never be without your loved one.

I can also design and make a truly personalised jewellery piece for you, based on a design you like. All keepsake jewellery can be made in any metal combination and set with your favourite stone. All pendants are supplied with a sterling silver chain in any length - please state when ordering. 9ct chains are available at an additional cost.

Catalogue items are not necessarily printed to scale and colours may vary due to printing process. No part of this publication may be used, reproduced or transmitted in any manner.
